I giving up the boys for their best interest. I do not have time to give them the attention they need. I am charging a small rehoming fee of only \$50, to ensure they go to a good home.  
 They are red nose and blue nose mix. I purchased them as puppies for \$400 together.  
 Included are the following items: 2 choker chains, 2 harnesses, 2 leashes, 2 Kong chew toys, 2 10 ft tie down cables, 2 80 ft trolley cables with 6 ft cables attached for tons of room to run around, 55 lbs dog food.  
 Their names are Buster and bowser. Bowser is the bigger one, Buster has the darker face. Buster is full of energy, Bowser likes to lounge around, they both behave.
