I'm sad to say I need to re-home our family dog. He's a male pit bull, brindle, four years old. He's fixed and UTD on all shots. He's AMAZING with kids of all ages and every animal he's ever met. He isn't food aggressive AT ALL, he's house trained, kennel trained and just an all-around fantastic dog. He's used to having a backyard to run around in and with my husband and I working, we hardly even have time to take him outside. And we don't have a fenced yard. He wants to get outside and play so bad. \$50 rehoming fee - he will come with his bowl, his food, harness, leash, collar, vet papers, etc. Please call or text me for pictures, my phone isn't letting me post them on here. Thank.
