Vertical Gardening (Meridian)

Location **Idaho** https://www.genclassifieds.com/x-316030-z

Do you want to save money by growing your own fresh produce?

Do you live in an apartment or small home/condo and don't have room to garden?

You can grow almost anything right outside your door (and even indoors if you want!) Some quick examples: Tomatoes, lettuce, basil, peppers, spinach, beans, cucumbers, strawberries, melons & herbs!

Don't have time to garden?

With vertical gardening there's no soil, no weeds, and no ground pests to worry about. And you'll have a full range of customer support to help ensure a successful growing experience, including an online Resource Center and Facebook support pages.

Do you want to increase your children's interest in eating fresh fruits & vegetables?

START GARDENING!:)

Contact me for more information on how you can get started with your own hydroponic vertical garden! There are easy monthly payment plans, no credit checks, no gimmicks...so easily obtainable for ANYONE! Just helping families everywhere live healthier! :)
