Pair of tickets available in Section 141A, Row E. These are my season tickets in the Terrace level. They are padded seats with a small wooden table in between them. The other great thing about these seats is that the person next to you is not on top of you. Close to concessions. Covered so you don't bake in the sun. For the money, these are the best seats in Comerica Park. I have these tickets in my possession and can handle through Paypal/mail or cash/meet. All games listed below are available and the price listed is for the pair.
