

2001 Ford Taurus (800 USD)

Location **Minnesota**
<https://www.genclassifieds.com/x-316071-z>

I have a 2001 Ford Taurus with 240xxx miles
She's got some rust around the back fender wells, runs really good, starts everytime and drives decent. The car would be a great work car or a first vehicle, inside is pretty clean , everything seems to work on the inside. Tires are fair etc. Don't hesitate with Any
