

Penberthy Electric (Lake St Louis)

Location **Missouri**
<https://www.genclassifieds.com/x-316116-z>

I'm available nights and weekends for any electrical jobs you may have. I will work not just in my area but All over and around the county.From giving you a diagnosis of the issue that's giving you problems. To adding outlets, different light fixtures, fans, new wire. Changing bad breakers adding circuits and so much more. Call me today and let me schedule a time to come out and diagnose the issue or I'll come out and add some electric for you. For more information give me a call at

or text or email me at
