A perfect bike that is currently registered as an antique. Looks and runs beautifully. Absolutely no mechanical or cosmetic problems. 18,002 original miles. Has AM/FM/Cassette Cycle Sound system. Full, removable saddlebags. This Interstate Silverwing is a true classic and is nearly in showroom condition. Only manufactured for two years. Always stored inside with dust cover and only used once or twice a year (15 miles in the last two years). Original owner's manual included. I bought this motorcycle in 1986 from the original owner who only had 5,200 miles on it at the time. Like me, he always kept it dry inside. It has never been left out in the weather and has always been ridden gently. Can be seen daytimes or evenings. I have lowered the price from \$3,900 to \$2,900 but only until January. Email for.
