## Beautiful Hitachi rolling flat screen TV stand w built

Location **Maine** https://www.genclassifieds.com/x-316141-z

This is in good condition and is black though looks gray in the photos. Other than needing a dusting, it is in good condition. Two glass shelves. Two speakers are built into the stand, so you could get a complete home stereo sound. About 16 inches tall and 27 by 44 inches across the top. The Hitachi sticker says it was made for a 46" flat screen but could easily be used for one a little larger or.
