

# solid wood large beautiful baby cradle or would make great toy box (5 USD)

Location **Maine**  
<https://www.genclassifieds.com/x-316148-z>

This is in great condition, though it must have originally come on a rocking stand of some sort. The original hardware to hold that stand is in the cradle. No cracks or damage to the wood. Really beautiful. About 13 inches tall to the side or 24 inches tall to the top. It's about 18 by 32 inches.
