Anyone giving guitar and voice lessons (NYCNJ)

New York Location https://www.genclassifieds.com/x-316182-z

Anyone giving guitar and voice lessons? I can't find a guitar or voice teacher on here :), or does anyone want my money? it's free please take it.

Let me know if I can pay you to teach me to play and sing like this:

www.max1206.com

The more you charge the better, specially if you take credit cards.

I don't know why someone is getting to me.
