I have a Beanie Baby collection of over 500+. I have Rare and Well sought after Beanies. I have down graded the Value so someone can MAKE some money on the RARES I do Have. If you are just starting to collect this is a good collection to start with. The RARE one's I list are EXACTLY the Same Beanies going for MAD money on ebay with the EXACT same errors. If you google search "what are Beanie babies worth" you will see in the right column some of the Exact beanies I have with all the same errors. Now I do have duplicate Beanies of my RARES without the errors , to show people the difference.

## RARES BEARS:

These Bears have the errors of surface Misspelled as "suface" and original misspelled as "ORIGIINAL" on swing tag(ear tag) with PVC pellets. Others have errors as of dates on swing/tush tag and "GASPORT" which should be Gosport.

"Valentino", " CURLY", "PEACE", "MAPLE", "OSITO", (2) Millennium with 1 "n" in the word Millennium, "INCH" the worm". (2) "Princess". (2) "1999 signature bear". these Rares range from 100-\$1500 each.

PVC Pellet Beanies (they stop using PVC after 1997)

Quackers the duck , inch, claude, hoot,stretch,pinky, bones, baldy, gobble, pounce, snowball, Lizzy, scoop, wrinkles, spooky, doby, iggy, rainbow, sly, batty, Hippity with Original & surface spelled wrong.
