

Need a body paint model or two (Boise)

Location **Idaho**
<https://www.genclassifieds.com/x-316235-z>

Need an open minded girl for body painting. You are nude under the paint so please be okay with that. If you are then we can work out a price and set something up. I already have one person but would like a couple more for practice. This is a real gig so please message me with picutres questions or anything else that you might be curious.
