

African sex slavery and child soldiers (Newmarket)

Location **New Hampshire**
<https://www.genclassifieds.com/x-316247-z>

We are a non-profit org seeking volunteers to assist in office work, sales of our income produced products, and anyone's marketing expertise for our Newmarket office. We also attend many events throughout New England where we could use sales people to represent our company and present our efforts to rehabilitate and re-assimilate these child mothers back into their communities following our three year comprehensive counseling, vocational training, education and medical attention for themselves and their children in Uganda. For more details and descriptions please contact us.
