Hi a little bit about us, My name is BEN
We are a married couple, A little girl on a way, Don't smoke, don't drink, don't party,
I am a carpenter and my wife is a house wife, she likes to cook, i like to paint, and fix stuff
WE would like to rent a small house of some sort, or one floor of a house , that will have a garage to drive in a car.or keep some stuff, doesn't have to be attached, anything.
NOT looking for a 2000\$ house, with 3 bathrooms
Couple bedrooms is enough, economy class, we don't make too much to rent a big house something around 1000\$

If you want the good tenants living in your apartment
you wont be disappointed.
