A vplunteer writes: Blue has a nearly PERFECT safer with ones all the way down on his scores. He is a friendly, social guy. He was sooo cute with that toy (see the video). He didn't seem interested in it at all, then he stepped on it and it squeaked and he was obsessed from that moment on...but it was like he didn't know quite how to play with it. LOL. He's a beautiful, fit boy and will do well in an active home. I did not observe any issues with other dogs. Please save this beauty!

EVALUATION - Blue was sociable towards the handler but was often more interested in his
