Rose hair tarantula 20 (Warren Twp., NJ)

Location **New Jersey** https://www.genclassifieds.com/x-316309-z

Rose hair tarantula about 4-5 years old. Sex unknown. We refer to it as a girl and named her Sofia. We are looking to rehome her. Looking for a good home to someone with some knowledge of tarantulas. She comes with her tank as seen in pictures, water dish, temp/humidity gauge, separate cricket housing with cricket.
