Rehoming fee for everything \$200.00 or best offer. If you do not want something listed below then let me know and your offer.

I can not keep him no more. Thats why he has to go.

1 new Fluval U3 water filter, replacement parts for each part of filter, food, rocks, 2 new water heaters, the hose to drain the whole tank to clean, and 1 tank or 2 tanks. I have him in 17" H x 12 1/2" W x 36" L now that is enough room for him. The tank is on a 3 drawer dresser. Measurements for the dresser is 30 1/2" H x 18" W x 30" L. The other tank measurements are 20 1/2" H x 18 1/2" W x 48 1/2" L. That is a tank that will be good for him when he is full grown. Both tanks are in good condition. If you do not want both tanks that's fine. Just let me know which tank you.
