I have a set of MGP red caliper covers. If you're reading this, you probably know what they are. These are vehicle specific, they will ONLY fit Infiniti Nissan G35 350z. They are in excellent shape, with all hardware and mounting instructions as new. 17099-S-MGP-RD, please check calipercovers dot com to make sure these will fit your car. Part number is I bought them thinking that these things were universal, which of course they're not. If you would like pictures, please email me and I'll be glad to send some close-up pics. I live in the Benson area, but I work M-F in the Cary/Apex/Holly Springs area, so I could meet you if you like. These cost \$200 new, so these are 1/2 price for the same great.
