*** Have Your Dent and Scratches Fixed At your Home/Office *** Services At Autobody Alternative we offer a full range of services for your valued vehicle ranging from scratches to minor panel bodywork, not to mention painless dent removal. We can repair plastic bumpers, panels, hoods, doors, key scratches, as well as auto paint touch up. Check out the individual services that we provide for more information. You can also call or email us your photos for a free estimate on how we can restore your vehicle and make it look like new again! Minor Bodywork We can repair larger dents even on multiple body panels as well as replacing and painting parts. Not sure if your vehicle has minor or major damage? Stop in or send us a photo. If the damage is too severe for us to repair, we can connect you to a recommended collision repair facility. Bumper Scuff Repair Scuffed bumpers are a common annoyance. They can be repaired without painting the entire bumper and most can be repaired the same day. Cracked Bumper Repair Cracks on plastic bumpers in most cases can be repaired. Not only is the cost a fraction of replacing and repainting the entire bumper, but it also helps the environment by keeping your plastic bumpers out of landfills. Scratch Repair Whether its a light scratch that can be sanded and buffed out or a deep scratch that is down through the paint to the metal, we can repair it to a factory new
