NEW TENANT - SPRING FRESH PAINT - CUSTOM PAINT JOBS -- NEW MOVE IN/OUT
OFFICES - BUILDINGS - REAL ESTATE PRE-SALE - NEW CONSTRUCTION - CUSTOM

I have been painting for over 10 years.. I specialize in ALL SIZE jobs, custom work, baby rooms, and general interior painting. I have many references and will provide insurance. I will beat most estimates as I do not have much overhead and I do enjoy the work.

I have a crew for larger jobs and all equipment.

Please call or email me with what you are looking to have do and best contact information. I will get back to you the same day. I usually like to see the job prior to starting in order to provide an exact estimate.

I can also advise on paint type/quality after seeing the walls in order to make the job as cost effective as possible.

Please feel free to reach out with any questions.

Thank you

GREG
