At ATW, we are deeply committed to the ideal that every human being is creative, and that theater can transform how we relate to one another and ourselves. We seek experienced writers to promote our diverse programs and classes- including our acting conservatory, and our volunteer and internship program, broaden our donor base, and expand our mission into the world!

Requirements for this position include proficiency in drafting a variety of professional correspondence and leadership skills to oversee a writing team on editing various projects, such as outreach newsletters to our database, letters to potential donors and corporate partners, and promotional materials about our classes and community programs. Most importantly, we are interested in enthusiastic, articulate volunteers who can passionately communicate what we are all about at ATW!
