caregivers please do not send your resume ...
I have
Dedicated over 20yrs in home healthcare and the medical field and it has been rewarding and has allowed me to experience various cases and situations with families in the community. I consider myself privileged to be in this field and very confident in my ability to provide quality care. Home Health Care- Basic personal care, catheters, feeding tubes, bed bound patients, hospice transition, hoier lift, transferring, documenting, vitals and provide bandaging as needed.

TB Test - CPR & First Aid Card.

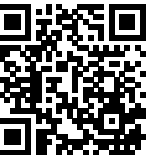

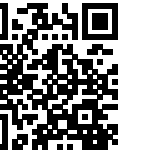

Experience with seniors and the disabled, companionship for the elderly with everyday living due to Alzheimer's or Dementia. Preparing meals, transport to appointments and social functions, monitor medications, daily hygiene in a professional demeanor, daily objectives, setting goals and developing teaching strategies . In the comfort of your own home.
