Are you a very pretty, fit female model/actress type?

Do guys turn to look at you wherever you go?

Are you definitely 18 to 35?

We are looking to add the right special ladies to our small high-earning outcall Tantra Massage team.

The hrs are largely flexible so this is ideal work for models or actresses who need to be available for auditions, commercials, films or photoshoots.

Normally the girls on our team earn between \$500 to \$2500 a day each. Sometimes a strong day can come to \$3,000+. It all is based upon how many sessions you are called for, but most days only require 2 to 5 hours of actual work.

We need girls who are real heartbreakers in looks but with golden hearts and a super work ethic. There are very few opportunities that pay so well on a day to day basis and yet require so few hours.

We train and certify each girl for free so you work fully legally and there are no fees required of any kind on your end.

You must have your own car, a working cell phone with texting and live in the Las Vegas region.

If interested, please send several photos so that we have an accurate feel for your look and figure, along with your name, real email address, and age.
