We have a 1 year old Siberian Husky registered with AKC and looking to find her a new home. She is a great dog and very good with kids but sadly is not a match for our home due to that fact that she doesn't like any feathered friends not does she like small cats. She does however get along with other dogs just fine. She is learning to play fetch, she sits on command and loves to run. We take her on runs next to our ATV and she runs 2-4 miles every other day. She has been coming inside and is mostly house trained. She doesn't tear things up. She is good on a leash. She is current on all shots. We would be glad to answer any more questions. Asking
