Do you have a pet that needs more exercise or perhaps has a little too much energy?

My name is Kelsey, I am a college student I have a french bulldog and a German shepherd. I am a huge animal lover!!! I have shown horses all of my life as well as shown dogs in 4-H until I was 18. I love to walk or run with dogs. I will be happy to teach your furry friend light obedience. Out of the 4 years of showing in 4-H I placed Grand in every class except one where I received reserve. (The classes were obedience on & off leash & agility) I am truly an animal lover, my first dog was a Boston terrier that I got when I was 2, I had him until I was 19. My German shepherd is a rescue dog from the pound and my frenchie came from SD. I will walk/jog with your dog by him/herself unless you request differently.

Pricing is as follows:

- 1 dog for 15 mins at a walk- \$5
- 1 dog for 30 mins at a walk- \$10
- 1 dog for 15 mins at a jog- \$10
- 1 dog for 30 mins at a jog- \$15

OR

1 dog walk/jog three times a week for 15-30 minutes \$20

I can come to your house and take your furry friend on their walk/jog from your house or some days I will bring them to a local track and field park. If you have two dogs I will come to take them both for a fee of \$5 per dog. I have 3 years of experience with animals and will provide a good reference.

Sitting your dog at your house with 2 stops a day (let them out and feed them)
 \$5 a day and \$5 more for every stop after 2
 If you would like them let out 3 times a day it will be a \$20 day fee)

Dog sitting at my house (can be kept separate from my animals, I have extra rooms, kennels, and a big fenced backyard) is \$15 per day and you will provide their food.
