Iphone repair mechanic offering services for Raleigh with smartphone droid galaxy and iphone repair.

If your phone is broken you dont have to live with it anymore? My service for iphone repair and droid repairs is for fixing your broken iphone or galaxy droid to be like new again.

I have experince with several phones, prices great and so much better than buying a new phone or going to the mall , and the service is easy for you. Just tell me what you need fixed and when you can meet. Some parts may have to be ordered, but that only takes a week, \$60 for iphone 4s repair \$90 for Iphone 5 5c
