

Carpet Cleaning Service (20 USD)

Location **North Carolina**
<https://www.genclassifieds.com/x-316615-z>

We offer home or commercial carpet cleaning services for \$20 per room (2 room minimum). We offer a 3-in-1 cleaning system. We shampoo, scrub & extract all in one motion. Don't be fooled by those 'steam cleaning' companies. They don't scrub your carpet. WE DO!!!

Our cleaning service does not use long hoses or have tangled wires running through your home. Eastern Carpet Cleaning uses commercial, portable carpet cleaning scrubbing machines that are big enough to easily cover large square footage, yet small enough to get behind furniture & up/down stairs.

No hidden costs!!! \$20 per room, that's it (250 sq ft max)!!! We clean furniture, drapes/curtains, stairs, etc. For larger areas, please call for a quick & easy quote.

Give us a call today to schedule your appointment. All Major Credit Cards Accepted.
