Hey, we're a group of LGBTA youth that's in a band, but we're looking for other musicians to collaborate with. We all love punk of all varieties and flavors. Hardcore, Queercore, Post-punk, Ska,

Post-Hardcore, Metalcore, Riot grrrl, and everything in between. Some of our favorite bands include (but aren't limited to) Black Flag, Minor Threat, Dead Kennedys, Bad Brains, Germs, Against Me!, Minutemen, 7 Seconds, NoMeansNo, Fugazi, Circle Jerks, Descendents, OFF!, The Teen Idols, Agent Orange, Melvins, Bikini Kill, Reagan Youth, Gang Green, Gorilla Biscuits, Bad Religion, and a lot of others.

We're all a part of the LGBTA community, and we want to get in contact with other people like us in the greater Cleveland / north eastern Ohio area. People who are interested in creating a safe, creative, inclusive community for people who have a love for punk music and want to focus on promoting equality and empowerment. So far, we're a couple of genderqueer guitarists and singers, a transwoman bass player, and a gay drummer. We want to meet people regardless of skill level and ability. Please do not hesitate to contact us if you're interested in the.
