Would you like to meet up with others of like interests ie. canoeing, hiking, biking, dances, potlucks, socializing in restaurants, etc? Tired of online dating and all the BS and drama that comes with it. Well, there are several groups with many members in NE Ohio. All of the groups are FREE and so are many of their activities. The groups are made up of mostly interesting, clean-cut, drama-free, law-abiding singles.
