I am a male (amateur photographer) wanting a woman that would like to wear lingerie or something sexy and pose while you let me take sexy photos. You are welcome to have the pics. I want someone that would enjoy this. Very discrete and not wanting to take advantage of you. If you are interested please put "Pose" in the subject so I know you are for real. I am real. It is almost the holidays and this might help you out.

Here's the deal. I am an amateur photographer and need to build on my portfolio. I have a few shoots that I've already done that I can show you. I don't have much or really any money to pay..

It is one of those you let me practice on u and I give a copy of all your pics....

I'm open for shoot ideas
