 Im moving out of state and have decided to not take my furniture. I bought this furniture not even a year ago. It has been barely used because I work majority of the time. Im selling it at almost half the price I purchased it for. Would like to sell it as before this time next week. Please don't wait and see if the price will be lower because I have a truck reserved and will pack it up if I can't get any decent offers. I figure someone else's family would get more use of it at a good price than me putting it in a storage facility for months.

Couch $750
Painting: $85
Rug: $125
Queen Mattress with Box spring and all: $500
Foam Pillows: $20/each
TV Stand for up to 50": $75

I'm open to making a deal on the Coach + Painting and Mattress + Pillows.

Hope to hear from you all soon. Also have red kitchen pots, silverware, bowls, and plates. Contact info is.
