Features:

External digital display and controls

Allow you to easily control the refrigerator settings.

Twin Cooling Plus temperature management system

Uses 2 evaporators with 1 compressor to independently control the temperature in the refrigerator and freezer compartments.

FlexZone drawer

Offers customized food storage options with 4 temperature zones, allowing you to control the temperature for foods that require specific storage conditions. The counter-height design complements your kitchen.

Thru-the-door ice and water dispenser

Offers filtered water and clear, crisp cubed or crushed ice at the touch of a button. The filter indicator light alerts you when you need to change the filter.

Water filter

Collects impurities, so ice and water taste great to the last drop.

5 spill-proof, tempered-glass shelves

Contain small spills for easy cleanup.

2 humidity-controlled crispers

Keep produce fresher longer by minimizing moisture loss.

4 door bins

Keep fruits and juices fresh and crisp. Four door bins accommodate large items or smaller items to fit.

Surround Air Flow

Provides even cooling throughout the refrigerator to maintain optimal temperature.
