I offer professional cleaning with a personal touch. Serving Cleveland's west side and it's western suburbs for more than 20 years.

I do all the work myself and provide all equipment and supplies needed, including a vacuum cleaner that traps 99.7% of dust, pet dander and other allergens.

Whether general cleaning or deep cleaning, once a week, twice a month, or occasionally, I tailor my service to meet your specific needs..

Free estimates and references happily furnished.
