10X13 bedroom furnished with a twin bed or unfurnished if you have your own bed. Large closet with shelves, two windows, ceiling fan, and cable TV outlet. Use of main bathroom that no one else uses.

I am female, small business owner and I have two indoor/outdoor cats. I'm clean, tidy, and quiet.

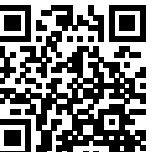

I'm interested in renting to a serious college student or busy, professional career-minded FEMALE. International students are encouraged to apply as I have been a host family for many students. I may consider sharing my space with a male but NO men over 25 yrs/college age will be considered.

I prefer an individual who has a life outside the home with friends and hobbies, someone who is kind, respectful, has a good work ethic, and has a consistent sleep/work schedule.

No smoking or vaping or 420 on premises. No drugs, only occasional drinking. No other pets. No overnight guests.

Rent is \$400 per month with a \$100 refundable deposit. Month-to-month rental. Rent includes utilities and high speed internet.

You will need to fill out an application and I will do a background, employment, and reference check. The \$100 deposit is needed to secure the room. When you respond, please include a little info about yourself, such as college/industry, hobbies, and what you are looking for in a home AND your phone number. I will not answer any emails if they do not contain the requested information. Serious inquires.
