Looking for a labors to hire ASAP to work under the direction of the foreman and owner. Experience preferred. Mainly would be Weed eating, blowing off properties, pulling weeds, cleaning out beds, hauling wheel barrows etc. You could potentially mow at some point we use (Walker and Wright Stander mowers) Any experience with mulch, soil, edging, bed preparation, trimming, clean ups would only help your cause. Detail oriented and knowing the difference between something that needs to be done versus something that does not need to be done is also very helpful. Knowledge of the western suburbs from elyria to lakewood and avon to berea also helpful. 10\$ an hour to start. You can expect to take home on average at least 450-550\$ a week. If this sounds like you please be in touch. Could start asap. Please do not reply if you are not qualified. This job would start late March. 1099 position. Submit resume or experience to email provide. We work out of Berea. We are gathering applicants and will be calling for interviews between 3/18 - 3
