

NEW SEALED Champion 75531i Inverter Generator 3100 Watt FREE GAS CAN (700 U

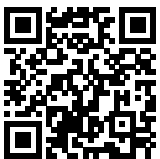

Location **Pennsylvania**
<https://www.genclassifieds.com/x-316918-z>

Selling a BRAND NEW, SEALED Champion Power Equipment No.75531i Inverter Generator, 3100-watt. Generator was bought in December 2014 from Home Depot for \$850. I bought it to be prepared for winter storms but it was never used and never needed. Also included is a FREE (5) gallon gas can. See pics for both items. I am selling this for \$700, first person to email me and arrange pickup gets the generator and FREE gas can.

From Product Page:

Quiet, lightweight and portable; the Champion 2,800W Inverter Generator provides clean, quiet power for campsites, RV's, cabins and other remote locations. 2,800 Watts Running, 3,100 Watts Maximum output is powerful enough to start a 15,000btu air conditioner. Inverter Technology provides clean power (safe for sensitive electronics) and variable speed engine to reduce noise, conserve fuel and lengthen the life of the engine. Lightweight - only 84 lbs. and includes integrated wheels and stow away handle. Quiet - only 58 DbA. Powered by Champion 171cc OHV engine designed specifically for the 3100W inverter generator. Will run 8 hours on a full tank of gas at 25% load. EPA/CARB approved for sale in 50 states. Features fully enclosed durable housing with easy foldaway handle, 1 - 120V GFCI Duplex outlet (5-20R), 1-12V DC Outlet w/cables included and USB charging accessory, and 1 - TT30 Receptacle - RV Ready. Includes: Overload Protection, Low Oil Sensor, Economy Mode Switch and outlet covers. Also included is a bottle of engine oil. Unit Dimensions: 22.4" (L) x 17.3" (W) x 18.3" (H). 2 Year Limited Warranty.
