it is still for sale so dont ask. i will remove post when sold and ignore emails that ask that odd question. it is posted because it is for sale.

plow unit only, not truck.

complete working snow plow assembly. currently on a 2001 chevy pick up truck. western brand with single hand held joystick controller. easy to operate, works great. can see it work. comes with mount, light assembly and frame, plow blade with trip assembly frame, and the plow mount frame and controller with harness. should be able to mount to any truck with a little fabb skills.

cash only in person. i can remove it today. bring help to load. ready for the?
