

REFull Breed Puggle

Location **Oklahoma**
<https://www.genclassifieds.com/x-316973-z>

There is NO SUCH THING as a full breed Puggle. That is a mutt! It is a mixed breed dog, not a full breed anything! Get it right and stop trying to play your mutt off as some kind of special breed. Puggle is mixed pug and beagle....that makes it a mutt.

Not that there is anything wrong with a mutt...they are wonderful dogs! Just stop lying to people about it being a full!
