Hello,

I have a 10 gallon glass aquarium for sale. Just the tank - no lid, no light, no heater. I got it in a bundle buy with other aquarium items and don't need it. It's in perfect condition so if you're looking for a quarantine tank, fry setup or something for the dorm/ kids room this is a cheap option! \$10, cash only. Pick up in Oregon City or in Beaverton (on certain days). Email with any questions (if this ad is still up, it's still available)! :)
