Afro-Latin Blues project is in need of a bilingual (Spanish) woman vocalist. Our 7 person lineup performs only our original composition, most of which are politically based, in our own creative style. Our project, creatively, fuses American and African Blues with Reggae/Jazz and Afro-Latiin rhythms. Mandatory practices are 1 night a week with, generally, 2 live events a month. Serious musicians please only respond with a personal and professional introduction. We will then share our youtube videos and web site. Must have own transportation.!
