Our children are at an age where cloths are very important. If you might have some cloths you are not using or may have outgrown we would be so grateful. My son wears a size 14-16 in boys for shirts and pants(skinny). His shoe size is 9-10 He likes of course all the brand names but anything is a blessing. My daughter wears a size 10-12(skinny jeans), shirt size 12-14 and shoe size 3 in girls or 6 in women.

I wear a size 6 in slacks, size 7-8 in jeans and size M in shirts, size 7 shoes and boots. I need anything and everything we have had to sell all I have to make money for our bills.

My husband wears a size L in shirts and size 34-32 in pants. Shoes are size 9.5.

We are in need of bedding for full/Queen and King. Need everything for a home basically.

Anything you might have that you are not using that will be going to the Goodwill we would be so grateful.

Thanks so much for your time to read.

Best
