Due to sudden circumstances, my friend is in a homeless shelter and her small dog is in a kennel outside of the shelter. His name is Max and he is cold, and scared in the kennel. Max needs an indoor place to live for 3-4 months. He is a small (10-15lbs) black dog that is very sweet and gets along with other dogs and cats also! He is a 6 yr old black papion, poodle mix. A fenced yard would be helpful, but at this time, any indoor situation would be great.

If you're able to help this pup please include a phone number in your response and if you have a fenced yard. I'll call you on Friday.

Thanks so much,
