I have a very sweet cat named Meeko. His 6 years old all shots, no flees, nurtured and is a very loving companion cat. He loves to curl up next to you, very loyal. He also likes to use out doors for the call of nature. Has used a cat box but prefers outside, has never gone anywhere inside the house. Neutered and has never sprayed because I had it done when he was young. Super loving and some what shy. Doesn't scratch or claw furniture. I'm moving to Australia and need to find him a home before the 25th of this month. Please consider this wonderful cat as an addition to your.
