Experienced Professional and Personal Chef & Caterer, Chef Michelle, will teach you the ins and outs of cooking in your own home! Special diets available too - Vegetarian, Vegan, and specializing in the Raw Vegan diet. I love sharing my passion and teaching others to cook! I love to cook everything, but have been a Chef at Arnold's Way Raw Vegetarian Cafe' for the last 7 years. I have also worked at Raw Can Roll Cafe' as Creative Chef, and Expressly Vegetarian in Chestnut Hill. I have also been catering large and small affairs for the last 7 years. I catered a party for 200 people for Michael Bernard Beckwith (of The Secret and Oprah)! I do local cooking classes frequently, and cook in homes as Private Chef and Raw Food Instructor all over the Delaware Valley! People LOVE my food!!! I was blessed with talent, a great palette, and a love of sharing. My only problem is...I love to eat...maybe a little TOO much!!! My clients, students, and customers call me an "AMAZING CHEF!" I can teach YOU how to be one, too, with my simple tips to balancing flavors!!! \$40/hour. Contact me! Chef Michelle, BA, and PA Certified Teacher.
