

Native Tutor for Spanish 1on1

Location **Pennsylvania**
<https://www.genclassifieds.com/x-317027-z>

All lessons will include grammar writing and proper pronunciation along with fun activities. All my students receive equal attention and help with the work. No prior experience is necessary to join I will teach you Spanish fully. Learn from the comfort of your home to save yourself traveling time food expenses and gasoline. Please send all your questions to homemadeapple gmail you can also send a voice mail or text message to

I tutor students and all other individuals for \$18/hr and no student will be turned down due to a lack of funds I will work my price with you. I am able to teach beginner intermediate and advanced level Spanish. I am a Native Female Speaker of the Spanish language. I have tutored Spanish for over 26 years. No books are necessary for either class. 1on1 classes can be done at a time specified by you. If you require Spanish to English or English to Spanish Translations I can also help you at reduced rates. I have a very flexible schedule so I always try to work out tutoring hours with my students. I also provide advance Spanish classes by cell phone. I accept Venmo paypal and Google Wallet a free online service for online tutoring.
