 Property Type: Townhouse

DESCRIPTIONWONT LAST LONG!!!! What a deal!!!! Great Fixer Upper Row/Townhouse (Holmesburg/Torresdale)

Call or Text me today!!! This will NOT last and I repeat will NOT last. We have a row/townhouse right off of Academy Road and Frankford Ave. Property is located at the 4000 block on Tolbut Street in Philadelphia, Pa. 19136. Zoned R9A. (residential) It's a 3 bedroom, 1.5 bath with a finished basement

with a one car garage that needs updating. There is street and off street parking in rear of the house with a driveway as well. Appliances including a new washer and dryer can be staying in the property. It has hardwood floors in the main level which has been had completely redone. The owner will not be staying in the home or converting the home into multiple units, but just looking for the right buyer to complete the property. The property is on a quiet street with a great property value maintained with pride in ownership. There are strong comps to support the value. House to be complete would need approximately 30k and you could get a 160k asking price on the retail end. Not more with a summer sale, OR do a builders grade improvement and rent it for 1,000-1,300 per month. Property is walking distance to multiple shopping centers, convenience stores as well as fast food establishments. There will only be one hour showing and you can text me for the date and time. Looking for an investor with a cash offer!! Call or Text me ANYTIME for more info.
