Greetings mommas and daddys. My name is Amanda, I am a 28 year old mother of one. I am currently working at a Montessori school teaching 17 four year olds. I love my children and try to make the most out of their preschool experience. We do a lot of crafts and worksheets, teaching letters, numbers, shapes and colors on a daily basis. Before that I was a stay at home mom with a part time all natural cleaning business on the side. I practiced attachment parenting and infant potty training with my daughter with much success. In our free time we like to be outdoors, hiking and playing, picnicking and swimming. When the weather doesn't agree we like to be crafty indoors. I can be a very serious caregiver when it comes to morals and manners and at the same time like to have a lot of fun.

I found my nanny on a great site - if you email me I can send you the link! You can find a great one!
