In an effort to raise money and awareness of the ongoing restoration of the Historic Brookline VT Church building, we have created a beautiful 2015 photo calendar. This is a 12 month 8 X 11 wall-hung calendar with both vintage and current photos of Brookline VT structures and landscapes. Photos include the Historic Brookline Church building, the Old Round Schoolhouse, the old covered bridge that once spanned the West River on Radway Hill Rd, early local houses, and more. The calendar is \$25 when picked up or delivered locally or \$28 if mailed, to cover postage. All proceeds benefit the Historic Brookline Church Restoration.
