Looking for someone to help me with the driving from Burlington to Boston and back. Leaving tomorrow (Friday, 3/20) in the am and returning Sunday in the pm. I'm a local professional female looking for a copilot with a clean driving record and valid drivers license, preferably another woman. I'm good company but also wouldLove a chance to just read. If you do all the driving I will pay for the gas. Please give me just a little tidbit of info aboutWho you.
