

lincoln 230 vlt. 250 amp arc welder . (600 USD)

Location **Wyoming**
<https://www.genclassifieds.com/x-317231-z>

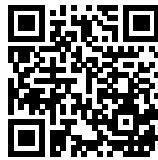

this is a very smooth running welder , one of the old , heavy ,quality built kind. no leads with it but I have lead wire that I could cut to length for additional price . compare to new idealarc in northern tool for 2600.00. will not respond to text.....30seven4six00530 8am
